LEGO Weeks: Lego provides a way of mastering many kinds of emerging skills, such as problem solving, spatial skills, and understanding semi complex tasks. Using three-dimensional objects also enables young and fertile minds the ability to plan ahead and make the necessary alterations so the pieces fit together as intended. Each player attending ***Prep for Rep** will see and notice their progress daily and weekly.

Lead-the-Way

Educating and empowering our youth to lead within their community.

Lead the Way – General expectations.

Learn life and leadership experiences that are worthy of future careers.

Gain a perspective on coaching, leadership, training, managing and philanthropy.

Understand goal setting, plan, execute, adjust, evolve, resolve, and succeed.

Empathy and Community: “It’s not about me”.

Observe and appreciate.

Create and develop entrepreneurial skills.

Learn to manage and let go.

Opportunities: Depending on the competencies of the group, Lead-the-Way campers can learn to coach and or develop a business.

The Lead-the-Way program is customized as it caters to the individuals participating each summer. Those participating in the summer program for less than 6 weeks will be focused on learning to lead by coaching or assisting. However, both LTW and Basketball Prep for Rep will cover the 7C of success, character building, leading, and conflict resolution.

DARE to LOVE Summer FUN Camps

Our goal is to promote virtues, values, and Biblical principles through sport. DARE stands for: Discipline, Attitude, Respect and Effort and LOVE stands for: Listen (to your parents), Obey (your parents), Volunteer (at home and school), and do it...Every day. Our intention is also to improve your child’s athletic abilities and confidence in themselves to succeed and progress. We want them to love the sport of basketball or soccer or both while giving them a variety of other activities to keep them physically, mentally, and socially active. Below will provide information of what to bring, where to drop off and pick up, and what to expect.

As per the school standard, peanuts or nut products are not allowed in the schools. Please pack food and drinks in a cooler bag. Please LABEL your items as necessary. **Disposable water bottles and juice boxes are not permitted at camp.** Some activities will incur for an additional fee.

What to bring:

- Full day players bring 2 light snacks (in reusable containers).
- Lunch in reusable containers please.
- Wear sunscreen before arriving and bring a tube or can (in a zip-lock bag in case it leaks) with you please.
- Hat for sun protection
- Indoor and outdoor shoes (cleats are not mandatory – these counts as a third pair of shoes)
- Shin pads and socks if you have them (for soccer players and not mandatory for 4-6 years old).
- A towel for picnics, resting and for Water Wednesdays.
- 2 bottles of water in re-usable containers. We will not allow players to drink from disposable bottles or juice boxes unless it is required for medical reasons. Players will have to use the water fountain.
- Any medication, if necessary, in a zip-lock bag.
- Soft and sugar drinks (Gatorade or Powerade) are **not permitted**. Water is the best beverage for your child and for camp and does not attract bugs or bees. Exception may apply for those with a medical reason or on Trip Days.
- Swim wear or extra shorts, T-shirt, underwear, footwear (water socks) and for water balloons days (typically Wednesdays weather permitting).
- BASKETBALL CAMPERS: BRING YOUR OWN BALL – Size 6 (all girls and boys ages 10-12 yrs), size 7 (13+yrs).

Please label everything. We are not responsible for lost items/belongings.

FUN Camp Lunch Time and Snack time (Basketball Camp may differ):

Lunch time is approximately 11:45am or 12:15pm (pending age and group).
