

# DARE to LOVE Summer Camp 2026

## Parent Information Package

Welcome to a summer of **growth, leadership, and fun!**

At DARE to LOVE Summer Camp, your child is more than a number. We mentor, encourage, and build character through every activity. Your child will be seen, valued, and supported — all while having the most exciting summer of their life.

### Why Families Choose DARE to LOVE Summer Camp

- Safe, structured, and affordable full-day camp
- Positive character development built into every activity
- Sports + STEAM + leadership in one program
- Small ratios (10:1 and 12:1)
- Weekly themes and special events
- Optional trips for affordable prices
- Caring coaches & trained youth leaders
- Family-friendly pricing & multi-week bundles

Our camp is designed to develop the whole child—physically, mentally, socially, and spiritually—through structured programming, mentorship, and meaningful experiences.

## Our Values

### DARE to LOVE

Discipline – Attitude – Respect – Effort

Listen – Obey – Volunteer – Every Day

**DARE to LOVE Summer FUN Camps:** Our goal is to promote virtues, values, and Biblical principles through SUMMER FUN CAMP; athletic skills and drills, and Leadership programs. DARE = Discipline – Attitude - Respect and Effort and LOVE = Listen – Obey - Volunteer - Every day; “to”= Teach Others. Our intention is also to develop your child(ren)’s physical abilities, confidence in themselves, and FUNdamental life skills while embracing faith-based principles. We endeavor to provide a variety of other activities to keep them physically, mentally, socially, environmentally, intellectually, and spiritually active. Pages 2 & 3 above provides general information of each week, and what to expect.

**LEGO WEEKS and \*(NEW) STEAM DAYS:** **LEGO Weeks:** Thousands of dollars of Lego and Blocks will be transported to our imagination creation station. Lego provides a way of mastering many kinds of emerging skills, such as problem solving, spatial skills, and understanding semi complex tasks. Using three-dimensional objects also enables young and fertile minds the ability to plan ahead and make the necessary alterations so the pieces fit together as intended. (Retrieved April/2024 from: <https://www.kidsclubchildcare.com.au/does-playing-lego-benefit-early-childhood>)

**S.T.E.A.M. DAYS:** Science, Technology, Engineering, Art, and Math. We continue providing STEAM activities that develop fine motor skills, focus, creative thinking, and critical thinking through FUN projects and gamified activities for all ages (LEGO and more).

---

## **BASKETBALL, Pickleball, and/or LEADERSHIP CAMP**

**Ages 12-15 (\$600-\$650 special for 6 weeks)** The Basketball, Pickleball and/or Leadership camps are customized weekly and daily based on the camper. There is no “cookie cutter” week. The objective is to continuously develop and improve each player’s skills on and off the court while adhering to the virtues and values of DARE to LOVE Sports Club. Each player attending will see and notice their progress daily and weekly. Min. required players is 8 per sport for this camp to run.
